

EXPECTATIONS DURING ONLINE LEARNING

While schools are closed, I will be doing distance learning. A lot of that will be done online.

Google Classroom

Seesaw

This might be through Google Classroom, Google Meet, Seesaw or other apps and programs for video chatting.

While I am doing online learning, I need to follow the same expectations as I do at my school.

Some of these are: use appropriate language, stay on topic, wait for my turn to talk, and do my best to be an active listener.

These are especially important when doing online learning because it will be hard to listen if we all talk at once.

My family and teacher will help me figure out how to do online learning. I can ask them if I have any questions.

Online learning can be fun! My teacher is excited to use this new way to teach me.

It is very important that I try to cooperate with the adult who is helping me with distance learning. This is new for my whole family and they are all doing their best to figure it out. I can try to be helpful.

My teachers aren't sure how long distance learning will last, but they will tell me when it is time to come back to my school building.
