

Jack the Duck

Jack the duck is a shy
little guy.

Sometimes when he
tries to speak,
He thinks he is going
to cry.

Jack is friendly,
but he may not
smile.

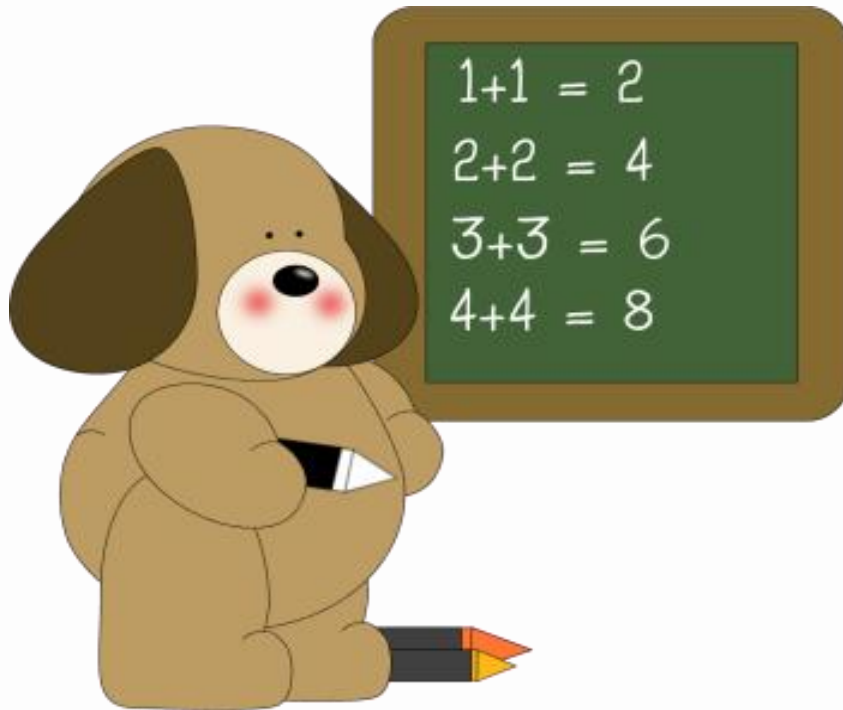

He thinks you
would be a great
friend.
And really wants
you to play for
awhile.

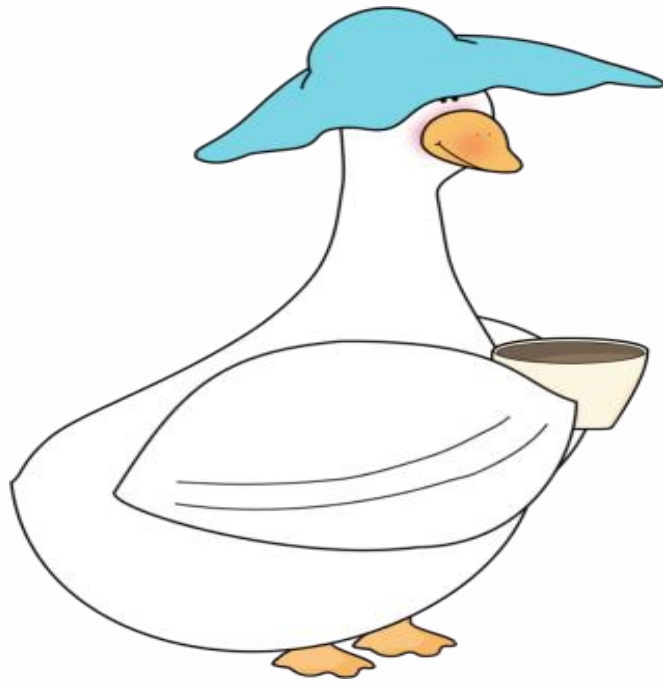

Birthday parties
are great fun for
me and you.

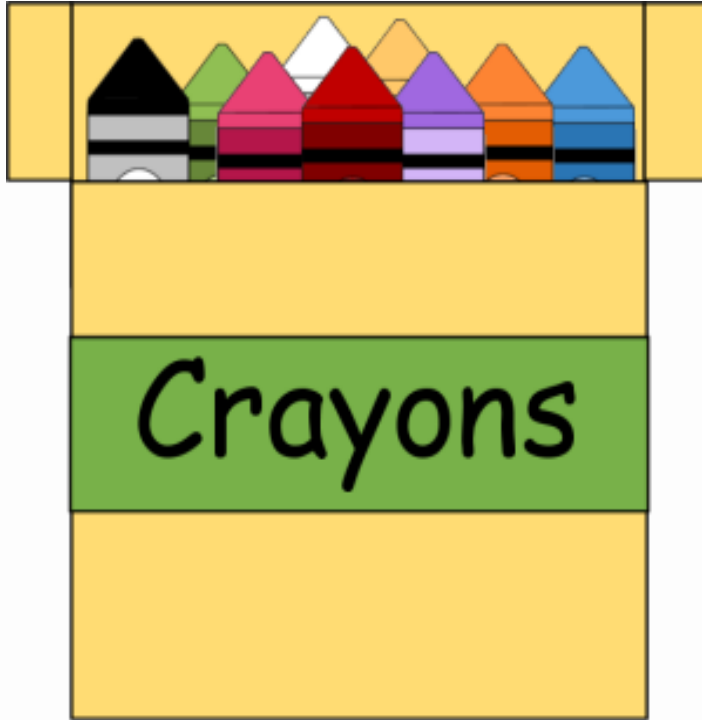

But little Jack
gets scared at
parties and feels
blue.

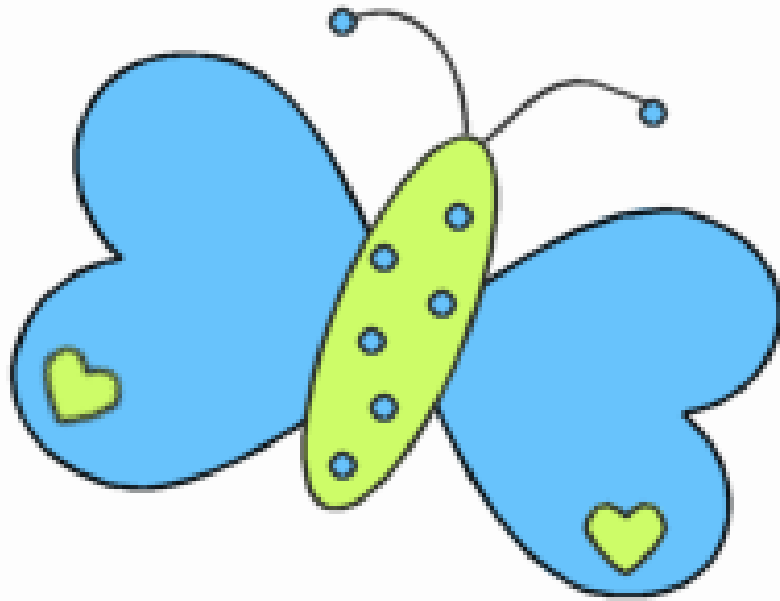

Jack Loves School
and Likes to read.

Sometimes he
worries and a hug
from mom is
what he needs.

Jack may not
talk, but he loves
to color and
listening to
music like no
other.

Our great God
made us all
unique.

And when he's
ready, Jack will
speak!
