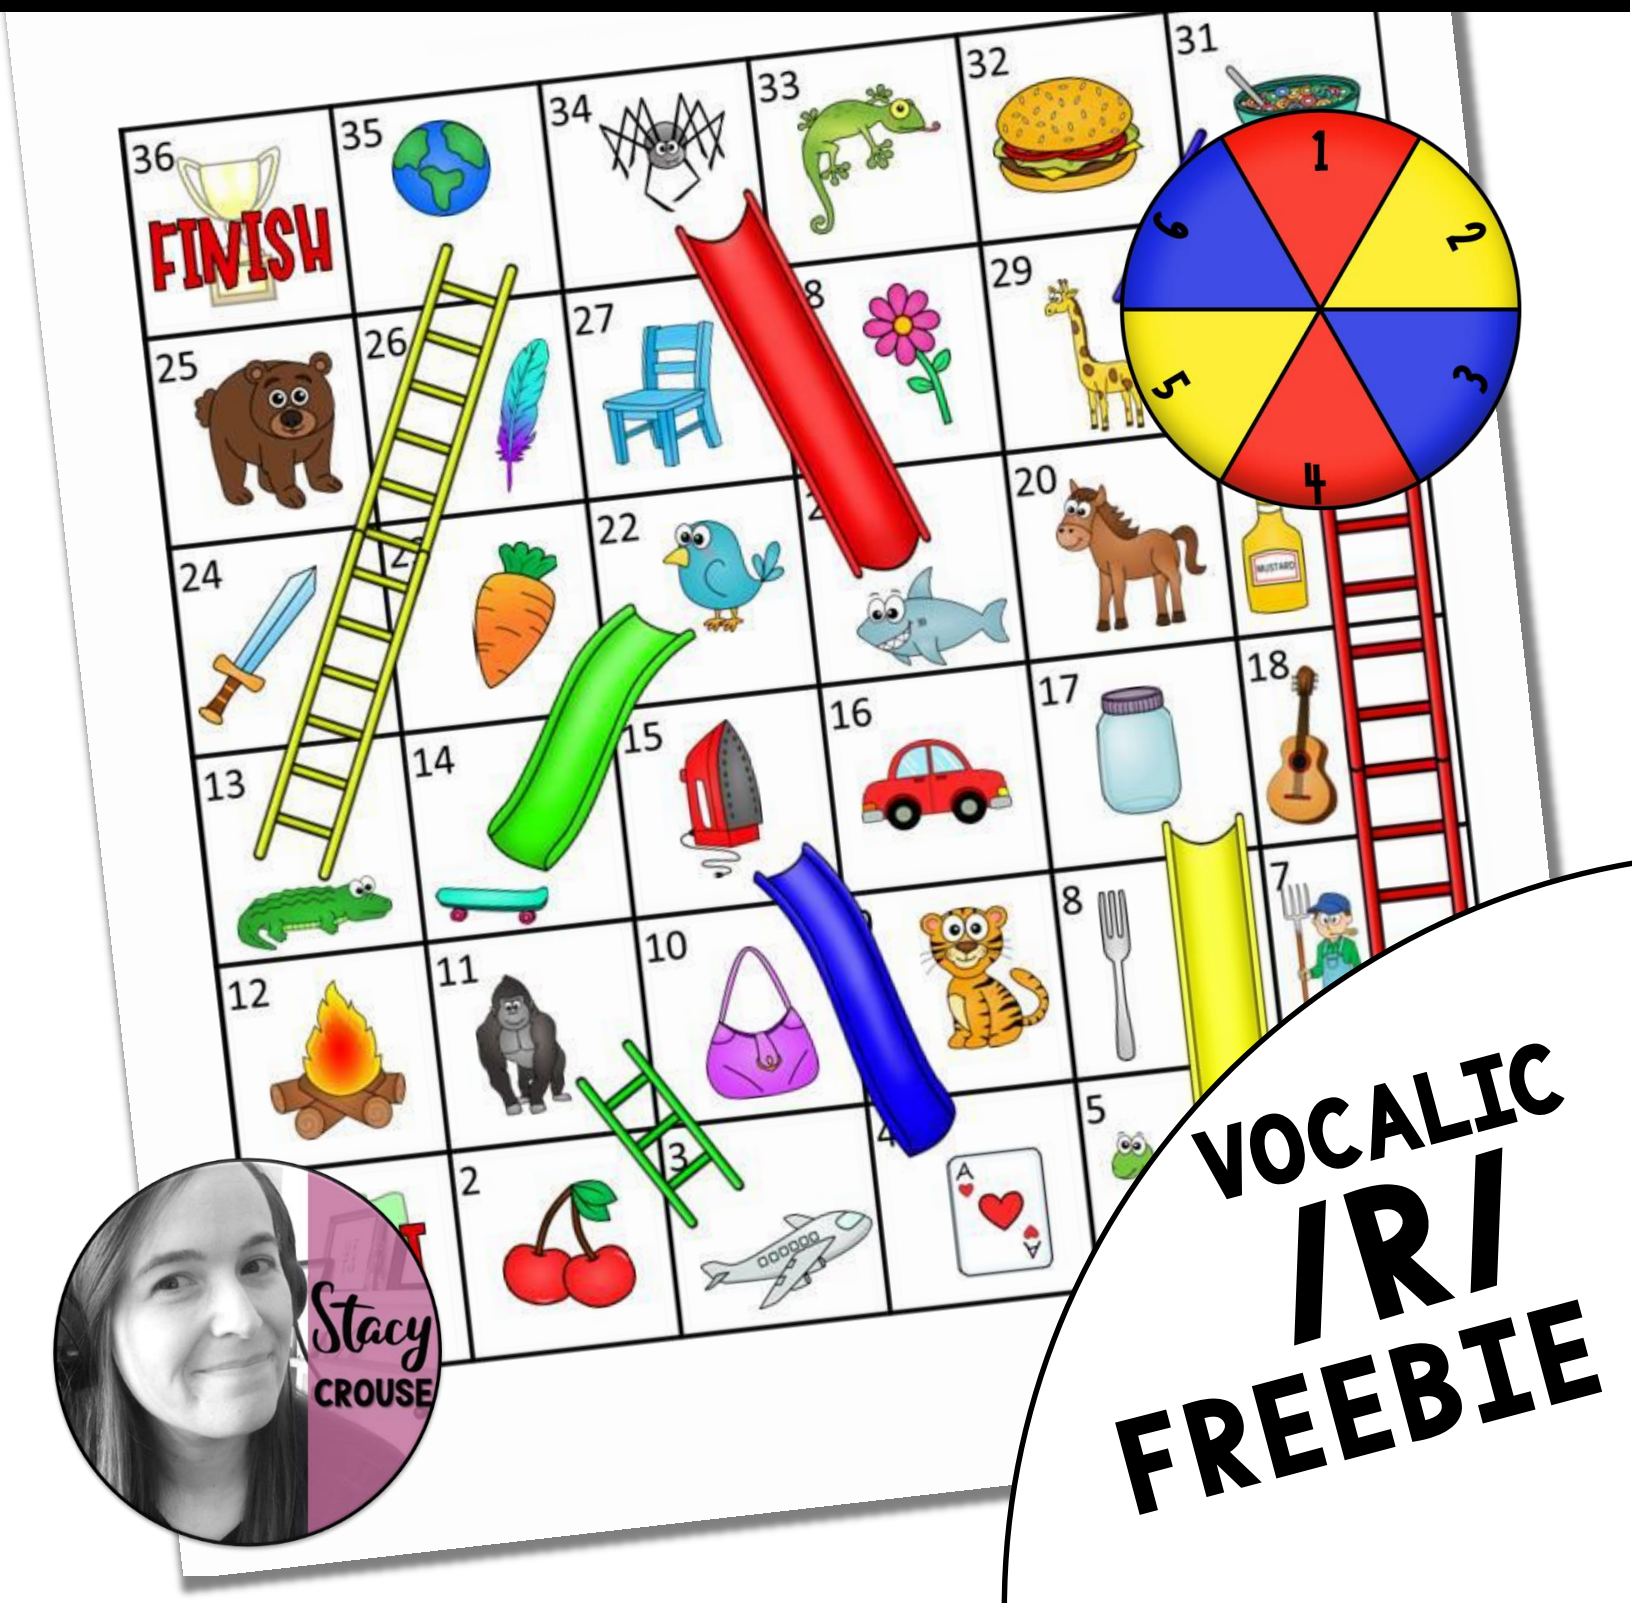
SPEECH

slides & LADDERS



VOCALIC /R/ FREEBIE

HOW TO PLAY:

Each player places their game piece on the 'START' space. Players take turns rolling a die or spinning a spinner (one included on this page if needed) to move their game piece in numerical order toward the 'FINISH' space. If a player lands at the bottom of a ladder, he/she climbs the ladder to the top. If a player lands at the top of a slide, he/she slides down. Whichever space a player lands on at the end of their turn, he/she uses the picture in the space to practice their target sound at the word, phrase, or sentence level. Whoever reaches the 'FINISH' space first is the winner!
